Dedication

We, the students of E.H.S., wish to show our sincere and humble appreciation to an outstanding man who has ever been a constant friend and helper to all.

Because of his continuous guidance, he has been a true friend in need to each of us individually in some way or another.

He has been generous with his smiles and with his knowledge of music. Because of his untiring efforts to guide us and help us in so many ways, we wish to recognize him as an outstanding factor in our growth in becoming high school graduates.

We dedicate the '53 CAT'S PAW to Mr. Milton C. Dusek.

Parent-Teachers Association

We have reason to be proud of our fine P. T. A., headed by two of Elgin's most prominent citizens, Mr. and Mrs. Meyer Simon. The P. T. A. has accomplished many things during the past two years, some of which are listed below. They have purchased a telebinocular, an audiometer, and provided half the funds for our new piano. They also placed cabinets in the concession stand, along with other needed supplies. They gave tubercular patch tests to the children under 15 in our schools this year in a drive to help fight that dread disease.

Our P. T. A. is an organization known for its willingness to help the students in all their activities connected with our school. We here salute our excellent P. T. A.

Superintendent's Message

The School Year of 1952-53 has been another year of accomplishment for Elgin High School.

In the '53 "Cat's Paw" you will find many reminders of your school experiences. We sincerely trust that you will always have reason to remember with pleasure your activities in EL-HI.

I assure you your faculty has made a most diligent effort to prepare you well for future citizenship.

 The friendly proprietors, Dora
 and Meyer Simon, invite you to
 drop in next time you are in town.

THE MUTUAL LUMBER COMPANY

handles all kinds of lumber and
 building materials, and has long
 been the source of Elgin's build-
 ing supplies. Its beautiful show
 windows hold a full display of

 wares. Your interest in their
 stock is appreciated.

When people in Elgin want to go
 out to eat good food in the com-
 fort of properly cooled or heated
 restaurant, they go to

MAJOR'S CAFE

without a moment's second
 thought. For many years Mr. &
 Mrs. Ernest Wilson have been
 serving their fine food to the
 people of Elgin. If you have not
 taken advantage of their steaks
 and dinners, the time is now.

SOUTH SIDE MARKET
 is known by the people of Elgin
 and vicinity for its fine meats.
 You need never worry about the
 meats you get from

SOUTH SIDE MARKET
 because they butcher the kind of
 stock you want. You have missed
 something if you have not eaten
 some of their fine barbecue. Fam-
 ous not only in Elgin but in sur-
 rounding centex towns.

CREED

We are the Future Homemakers of America. We face the future with warm courage and high hope. For we have the clear consciousness of seeking old and precious values. For we are the builders of homes, homes for America's future. Homes where living will be the expression of everything that is good and fair. Homes where truth and love and security and faith will be realities, not dreams. We are the Future Homemakers of America. We face the future with warm courage and high hope.
